

Barwon Division farewells Boggabri GPs

The Barwon Division of General Practice will be very sad to farewell Boggabri GPs Philip and Janet Briddon who are relocating to Tasmania after almost 6 years of wonderful service.

"The Briddons have been a fantastic asset to the town of Boggabri and its Multi Purpose Health Service (MPS) and will be greatly missed", Chair of the Barwon Division Dr Grahame Deane said.

"They have greatly relieved the pressure on Gunendah District Hospital the hospital by providing excellent medical services in Boggabri over the last 6 years.

"Our loss is certainly Tasmania's gain".

Dr Deane said the Barwon Division also looks forward to welcoming new doctors to the town when they are recruited.

"The Barwon Division of General Practice has programs in place to ensure new doctors are provided with lots of relevant information about the services in the area and excellent support in their new working environment.

"We look forward to working with the new doctors once they arrive", he said.
